

12. marts 2020

Til alle beboere

Vedr. coronavirus/Covid-19

Foranlediget af regeringen og Sundhedsstyrelsens pressemøde i går, tager vi følgende forholdsregler for at reducere smitterisikoen:

- Varmemesterkontorene lukkes for beboere. I kan henvende jer til varmemestrene pr. e-mail eller telefon, men ikke personligt.
- Kollegiekontoret lukkes for beboere, men kan kontaktes pr. email info@kollegiekontoret.dk
- Varmemestrene vil i de næste 14 dage ikke yde almindelig beboerservice, men kun akutte opgaver (sprængt vandrør el. lign)
- Barer, fællesrum og fitnessrum bør lukkes.

Varmemestrene kan desværre ikke tilbyde jer håndsprit. I bør som beboere selv sørge for. håndsprit, sæbe osv.

5 GODE RÅD:

1. Vask dine hænder tit eller brug håndsprit
2. Host eller nys i dit ærme – ikke dine hænder
3. Undgå håndtryk, kys og kram
4. Hold afstand og bed andre tage hensyn

Forholdsreglerne gælder i foreløbigt to uger.

Hold dig orienteret om møder på kollegiet – enten på [hjemmesiderne](#) eller på jeres facebookgrupper.

Med venlig hilsen

Kollegiekontoret i Aarhus

KOLLEGIEKONTORET | AARHUS

To all residents

Regarding the Coronavirus/Covid-19

Prompted by the government's and the Danish Ministry of Health's press conference yesterday, we will take these necessary steps:

- The caretakers' offices' will be closed for residents. You can contact the caretakers by email phone but not in person.
- Kollegiekontoret will be closes for visitors. You can contact us by email info@kollegiekntoret.dk
- For 14 days the caretaker will not provide ordinary service for the residents – only emergency service (broken water pipes etc.)
- Bars, common rooms, fitness rooms etc. should be closed.

Unfortunately, the caretakers cannot provide you with hand sanitizers. You must provide yourself with sanitizers, soap etc.

The Danish Health Authority recommends everyone to follow this advice:

1. Wash your hands frequently with soap and water, hand rubbing alcohol works as well. –
2. Sneeze and cough into the sleeve, not hands.
3. Avoid handshakes, kisses on the cheeks or hugs
4. Keep a distance to other people

These precautions apply for two weeks so far.

Keep you up to date regarding the residents meetings via the [website](#) or your Facebook groups.

Med venlig hilsen

Kollegiekontoret i Aarhus
