

Generalforsamling – Referat

Ordstyrer: Casper Silber

Referent: Vera Kruse

One issue: delays in kitchen work, room 7.

People were reminded to be careful with ash trays, to turn off the cigarettes properly.

A lot of people come to social events like movie nights, but not so many to the official parties.

Great cleaning of the common room, the room will stay open for now.

Budget approval:

Was approved because the rent has not been increased with more than 2percent.

There will come:

New grill, new pool table clothing, new soccer table.

We have received more kitchen supply for the common kitchen.

New board:

Casper (head chairman) explained what the board is about and what benefits there are by having a board.

There has to be at least three members

Representents volunteered for the board and there was no opposition to it.

The new board members are now:

Cleaning: Frederik Sørensen, room 5.

Common room: Juliane Beck, room 22.

Chair man: Jeppe Olsen, room 35.
