Weekly cleaning

- People have difficulty to determine who has to clean when, and then who is charged
- Simon has been talking to Torben about changing a bit in the list

Suggestion

- Kitchen duty from Friday to Thursday
- Check by caretaker Tuesday (8.00-10.00)
- Cleaning company on Wednesday (starts 9.00)
- Dates will be posted/announced on the list sent out from kollegiekontoret

Confusion at Molktesvej about what tasks has to be done for the weekly cleaning, and some people think that it is the same as maincleaning.

Simon will ask Torben to specify that for the people living at Molktesvej
